

Conferences / Trips to Research Centers

J. Schmidt, 2011, working at Molecular Foundry a nanoscience center in Berkeley (California) preparing samples for one of our research projects.

We were typically too busy to collect photos...

M. Komarneni and A. Chakradhar presenting their thesis work at the international meeting of the American Vacuum Society in Nashville., 2011.

Conference in Tinjin (China) – Great Wall is shown in the background.
